We had our wedding at Marked and it was a dream!! We are overwhelmed with messages from our guests telling us how incredible the food, staff, service, and entire party was. The team, led by Katherine Johansson, was absolutely amazing to work with- so accommodating and just jumped right in to elevate and execute all of our ideas from the initial planning phase and into the night of. They worked so well with all of our other vendors and our guests just had the best experience all night! We're so sad it's over and cannot wait to get back there!! The most amazing party and restaurant ever!!!

SHAYNA & MATTHEW

October 15th 2022

We had our wedding at Marked on a Saturday in the fall of 2022 — it was everything we had ever dreamed of. When looking for a venue, we immediately fell in love with the vibe of the space; then after our 1st meeting with Katherine Johansson, our decision was made. Katherine quickly caught on to the style of wedding/celebration we were looking for and easily aligned to our vision. After that meeting, we were confident Katherine was going to make our dream wedding a reality at Marked. In the end, we couldn't have asked for anything more. The food was phenomenal. Guests continue to tell us how much they enjoyed every bite. The mood and flow was exactly what we wanted. The staff was friendly, attentive, and generally awesome.
