TRADICIONAL

Classics are classic. But they are also ripe for fresh expressions and new experiences! Maybe you've had a Caipirinha before? Well, you've never had our Caipirinha. And I bet you've never combined a Margarita and a Daiquiri together and tried a Daiquirita! So, give one of these a try if you've had it all before and are craving something unexpected.

MODERNO

*A mixture of flavours and ideas brought to life by our talented team of bartenders. I seriously doubt they've read this part of the menu, so do me a favour and tell them they're doing a great job, and that they look amazing. Tell them their uniform looks very sharp and that their hair looks great.
Then ask them to recommend a cocktail.*

NON-ALC

Who says you have to drink to have a good time? Just because I do doesn't mean you have to. These drinks pack all the flavour and good times you'd expect from a real cocktail, except that they're not. Well, I mean - they are. They're not mocktails. They're cocktails, just without the alcohol. Plus we have an assortment of Non-Alcoholic Beverages as well if cocktails aren't your thing.

CERVEZA

Ah, cerveza. I'm more of a Champagne girl, but I love a clean, crisp, beautiful beer on a hot afternoon. Or when I'm watching a Football game. Or cooking by the fire. Come to think of it, I drink more beer than I do Champagne!

VINO

Vino is said to be the nectar of the gods, and during my travels I came across many that I liked, but discovered a great many more that I loved. I've found that every bottle tells a unique story of a particular place and time; so dive in, see where each sip takes you. Like my friend Eduardo once told me, 'We are all mortal until the first kiss and the second glass of wine.'

ESPÍRITU

When I said I discovered the spirit of Latin America, a not so small part of that was literally discovering the spirits of Latin America. If it were not for my friends Tequila, Mezcal, Cachaça, Pisco, Rum, Sotol, and Raicilla, I don't think I would have had as much fun. I challenge you to explore these pages. Perhaps you'll have a spiritual awakening of your own...
